

Forfeits

Please read the below information in the event of a forfeit.

Thank you for registering your intention to forfeit an upcoming match.

- It is your responsibility to ensure all parties involved receive notification.
- Follow the forfeit procedure closely for every step.
- Failure to complete all steps may result in your team being penalised.

- Penalties apply for incorrect forfeits and all forfeits reported **less than one hour before** the scheduled game time. **See RDNA Competition Handbook reference 6.11 Points and Forfeits**
- Full court fees apply to all forfeits.

STEPS:

1. Confirm your game time, opponent and court number by checking the fixtures: <http://www.rdna.org.au> or PlayHQ <https://www.playhq.com/netball-australia/org/rockingham-districts-netball-association/2f7c7cd2>

2. Advise your Club Umpire.

- If your game has been allocated a Squad Umpire (Seniors and A Division Juniors) you must advise the RDNA by contacting **Kimberley** (the AUDO) on **0406 494 070**.
- Teams that forfeit with less than 1 hours' notice must pay both umpires and if an umpire attends an empty court due to lack of communication, that team is also liable for that umpires payment.

3. Contact a representative from the opposing club to request they advise their Players and Umpire of forfeit.

- A phone call is preferable.
- if using email or text message your communication is not deemed as received until you obtain a reply in confirmation.
- Contact details for all clubs can be found at the bottom of this message.

4. Send the following statement: ***I have completed the forfeit process for:***

- Team Name, Club, Division, Game Time, Court Number and Your Name, to

Junior Game Forfeit notify RDNA admin and registrar at: admin@rdna.org.au AND registrar@rdna.org.au

SENIOR Game Forfeit notify RDNA admin and registrar at: admin@rdna.org.au AND registrar@rdna.org.au

Once this is done, your forfeit is complete. Thank you for ensuring all steps are completed.
